

변경

The screenshot shows a code editor with a dark theme. The top bar displays the project name 'cien-git-practice' and the current branch 'main'. Below the top bar, there's a toolbar with icons for Undo, Redo, Pull, Push, Branch, Stash, Pop, and Terminal. The main area is divided into three panes: a left pane showing the commit history, a middle pane showing the commit message, and a right pane showing the commit details. The commit history pane shows a single commit 'Initial commit' on the 'main' branch. The commit message pane shows the message '// WIP'. The commit details pane shows the commit hash 'c294c1', the author 'Juhyeong Ko', and the files added: '.gitignore', 'LICENSE', and 'README.md'. A file explorer window is open in the foreground, showing the contents of 'README.md' with the text '# cien-git-practice' and '하이!'. The file explorer window has a title bar 'README.md' and a toolbar with icons for file operations.
